SANTA YNEZ VALLEY

2025 | The Chairman Series Fumé Blanc

Founded in 1972, Firestone was the first major estate winery to sink roots in Santa Barbara County. The winery's proximity to the Pacific Ocean, a mere 26 miles to the west, ensures a relatively mild and arid climate throughout the year, making it an ideal setting for our estate vineyards planted to Bordeaux, Rhône and Burgundian varieties.

VINEYARDS Santa Barbara County's patchwork quilt of micro-climates and unique terrain provide the ideal conditions for growing grapes, like our Firestone The Chairman Series Fumé Blanc. This wine is comprised of grapes from the best vineyard block on our estate in Santa Ynez Valley planted to the Musqué clone, one of the most aromatic grape clones with hints of Muscat, as the name implies.

VINTAGE The 2025 vintage in Santa Ynez Valley was defined by patience, vigilance, and extraordinary restraint. A record-breaking cool season led to a historic late harvest, producing elegant, nuanced wines with vibrant acidity and naturally lower alcohol.

WINEMAKER NOTES The wine opens with expressive aromatics of ripe nectarine and vibrant guava, beautifully accented by hints of fresh kiwi fruit. On the palate, it reveals a tropical core of ripe peach and juicy pineapple. These luscious flavors are framed by ribbons of mouthwatering, crisp lime and subtle notes of lemongrass, providing an energetic and balanced finish. This wine is ideal to sip on its own, or served alongside shrimp spring rolls or Thai cuisine.

APPELLATION Santa Ynez Valley

COMPOSITION 100% Sauvignon Blanc

ALCOHOL 14.3% | TA 5.8 g/L | pH 3.49

AGING 9 months in French oak, 20% new
